

## Thinking Like He Thinks?

During September 5, 2010, Sunday Evening Story-Time with the IL teaching elder .... he said, **'You thinking like I'm thinking? You know how to do that!'** Whether intentional or not, the Cunning Royal Jester just slipped us a glimpse that he is accustomed to folks unquestionably following his teaching, trusting his judgment, and accepting his paradigm. He is aware that people give him their full confidence, so he can embellish his stories .... without fear of being embarrassed. He said of people who disagree with his pre-tribulation rapture doctrine in 1 Cor 15:51, that they are having a 'hallucination, when the wish is father to the thought' (7-25-10).

**Rom 12:16-a** Be of the same mind one toward another.

The Cunning Royal Jester takes pot-shots at people, calling them 'Bible-thump-heads' and 'block-heads inexperienced at reading the Bible' (8-4-10), 'bums at the rescue mission' and calling the Lord 'the Big Cheese' (8-22-10). He called some names and said they had great music, but they didn't know what they were talking about (9-1-10).

**Rom 12:16-b** Mind not high things, but condescend to men of low estate.

The Cunning Royal Jester said that without his wife he could go to 'heretic churches' that claimed to be 'Spirit-filled'. He mocked people who used Greek, saying they can't recite the Greek alphabet, but think they can teach Greek (9-5-10). But he reads the phone book and the dictionary and 5 books at one time.

**Rom 12:16-c** Be not wise in your own conceits.

The Cunning Royal Jester has certainly earned his own title by making fun of saints who have a different understanding than he has .... and his Jokers laugh right along. I heard one of them preach from the pulpit that 'other' churches were 'whorehouses' and their preachers, 'altar pimps'.

**1 Cor 10:12** Wherefore let him that thinketh he standeth take heed lest he fall.

It seems the Cunning Royal Jester has a insatiable habit of putting others down and lifting himself up. I don't 'think like he thinks' anymore!
